25 Secret European Villages

NEED A DISCOUNT?

by Travel + Leisure Staff March 10, 2014

A few winters ago, my family and I checked into a restored 17th-century estate in the tiny town of Lower Masferrato, in Piedmont, Italy. Our bay window looked out onto rolling hills covered in grapevines and, far, far in the landscape, the snow-topped Alps. No cars passed the cypress-dotted landscape; each morning we sat down in total tranquility to a breakfast of fresh-baked bread, soft cheeses, and blood orange juice. The experience was one that many modern travelers are searching for: a few rights hidden away in a European village, experiencing the traditional culture and soul of a destination.
